19 Civ. 7136 (LLS)

ORDER

The parties' claims of confidentiality and damage from disclosure, raised in their May 6, 2021 motions to seal (Dkt. Nos. 107, 115, 118) have insufficient support (general characterizations in a confidentiality stipulation are too conclusory) and are too non-specific to comply with Lugosch v. Pyramid Co., 435 F. 3d 110, 126 (2d Cir. 2006) ("Because the First Amendment presumption gives rise to a higher burden on the party seeking to prevent disclosure than does the common law presumption, the presumption of access here can be overcome only by specific, on-the-record findings that higher values necessitate a narrowly tailored sealing.").

The parties must unredact and file publicly the documents

filed under seal on May 6, 2021.

So Ordered.
